CHRISTINA (BRIDE) - 23RD MARCH 2023

Welcome

Thank you for considering weddings at Harrowden Hall, home to the prestigious Wellingborough Golf Club, located in the village of Great Harrowden amongst 160 acres of rolling countryside.

Harrowden Hall has a long and successful history of delivering high quality bespoke weddings, as well as a variety of private functions and corporate events. Our dedicated team are on hand to support the happy couple from initial enquiry through to the special day, to ensure that your celebration runs smoothly from start to finish.

We would be honoured to be by your side to support you throughout this exciting time.

History

Every inch of Harrowden Hall is packed full of rich history. From a stately home with ties to Georgian and Tudor royalty, turned girls boarding school for the Princess of Hawaii, to becoming one of Northamptonshire's most prestigious golf courses with a jaw-dropping clubhouse.

The Vauxes of Great Harrowden, a family of Catholic aristocrats with strong royal connections, owned the grounds both before and after the current building was developed in 1719. The family still holds a special place in the heart of the Hall, with its main events room and dining hall being named the Vaux Room, and their privately owned Chapel still remains in all its glory within the stunning Secret Garden.

Charles I became a frequent visitor, playing bowls on the lawn and refreshing himself in the gazebo, beside the first tee on the course. Furthermore, Henry VIII was entertained by afternoon tea on the lawn. What better place to tie the knot than such a historic venue?
